## WORK EXPERIENCE

**Frontend Web Developer**
**Horizam | June 2022 - Present**

As a Frontend Web Developer at Horizam since Jan 2023, I've developed multiple projects, creating engaging and fully responsive websites for clients.

**Additional Experience**
**UI/UX Design**
**Horizam | June 2022 - Present**

Alongside frontend development, I've delved into UI/UX design at Horizam. Using Adobe XD, Figma, and Canva, I've crafted diverse designs, deepening my design expertise.
